1.

Put the items you want to return in a suitable box or bag. Fill in this form with the code that best describes the reasons for your return. Place this form in the package with your return items.

2.

Place this form in the package with your return items, close it up and attach the barcoded return address label to the front.

3.

Take the package to a drop-off point of the carrier you chose at checkout - you can also find the name of the carrier on your return label - or take it to your nearest Official Scotch & Soda store. Make sure you keep proof of your return.

4.

We'll send you an email as soon as we receive the package at our warehouse. Within one week after processing your return, you will receive a full refund into the same account from which you made the payment.
